SKU: CC420PA | **Categories:** [Gasket cutting machine](#) |

:

Gasket cutting machine for cutting large diameters from 60 to 420 mm.

The gasket cutting machine is used in the same way as a tracing compass.

This set includes:

- 1 Special gasket cutting tool handle (extra blade included)
- 1 Centering pin
- 1 gasket cutting tool rod Ø420 mm with its blade
- 1 Allen key

Product advantages

- Ergonomic and comfort handle for dexterity of use, freeing one hand to hold the material to be cut.
- Specially designed stainless steel blade for precise, high-performance cutting.
