SKU: JLB20SP | **Categories:** [Special hollow punches](#) |

DESCRIPTION DU PRODUIT

This punch has a base identical to the 21 to 30mm diameter punches and is used when you want to combine an 18mm diameter with diameters 11, 12, 13, 14, 15, 16, 17, 19 or 20mm. This is impossible with the standard JLB18 hollow punch.
